For Immediate Release:

PGM Racing To Give Out Free T-shirts At Rockingham ThunderFest

Porter, TX.....PGM Racing, which fields the #03 ARCA Re/Max Series Chevrolet driven by Stephan McCurley, will be giving out complimentary official PGM Racing team t-shirts to the first 200 fans in line for autographs for their team at the ThunderFest in Rockingham, NC this Friday.

PGM driver, 18 year old Stephan McCurley, a 2009 ARCA Re/Max Series Rookie of the year candidate will also autograph the PGM T-shirts for the fans. The team has been giving out the apparel at each race so far on the 2009 ARCA schedule, and will continue to do so all season, compliments of PGM team owner Donny Kelley, and the team's sponsor, American Screen Graphics.

PGM Racing will partake in the entire ThunderFest event, including the hauler parade and the autograph session where they will give out the PGM Racing #03 shirts. "We started giving out the shirts to the fans that came to our hauler for the meet and greet at Daytona," says PGM team owner Donny Kelley. "The response was tremendous --- so we decided to do this all season for the fans. It's a great way for us to get our name and our sponsor's name out there, American Screen Graphics, who designs and produces all of our team merchandise and apparel. The best part of it is giving to the fans --- they are so appreciative to get something like this, even just a t-shirt or a hat. We have a chance to talk with them in line and we are hearing stories about how in this tough economy these folks are still staying loyal to their racing and will go without something else so they can buy tickets to the race. That is so rewarding to us as a team to be able to give them something to keep, a gift in exchange for that loyalty to our sport."

PGM team driver Stephan McCurley agrees. "It has been great meeting all the fans, and being able to give them something special. We get a chance to talk to them and they are so excited to get a shirt. The coolest thing was when one little kid put our t-shirt on over his Dale Jr shirt at Daytona! I thought, wow - that was like the biggest compliment you could get!"

The ARCA RE/MAX Series Hauler Parade through the City of Rockingham is part of the city's ThunderFest event, a free, interactive promotion for race fans on Friday, April 17 in the Rockingham town square. ThunderFest is from 10 a.m. until 10 p.m. on Friday and includes live bands, a food and beer tent and an ARCA RE/MAX Series driver autograph session from 6-7 p.m. The ARCA Racing Network will broadcast live from ThunderFest all day on Friday and race fans can listen to the coverage and view live video of ThunderFest on www.arcanation.com
